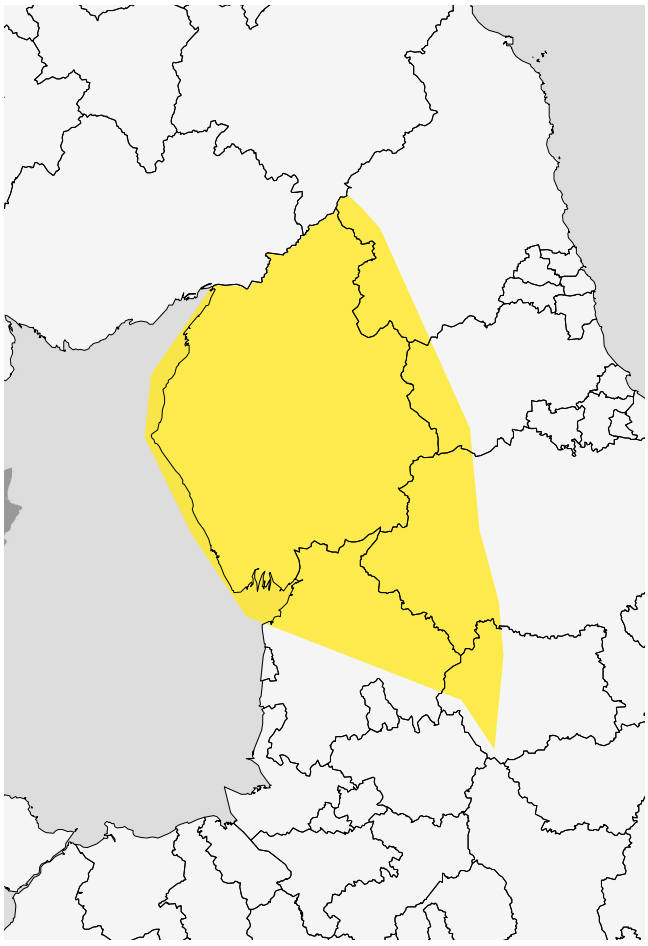
Yellow warning
Rain

Between
00:00 Thu 28 Oct 2021 and
23:59 Fri 29 Oct 2021



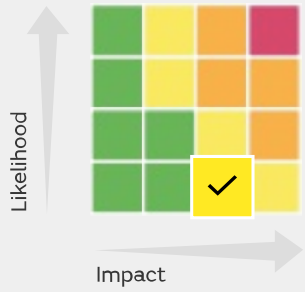
Persistent and at times heavy rain is likely to continue through Thursday and Friday.

What to expect

- There is a small chance that some communities will become cut off by flooded roads
- Spray and flooding could lead to difficult driving conditions and some road closures
- Where flooding occurs, there is a slight chance of delays or cancellations to train and bus services
- There is a small chance of fast flowing or deep floodwater causing danger to life
- There is a small chance that homes and businesses could be flooded, causing damage to some buildings
- There is a slight chance of power cuts and loss of other services to some homes and businesses

Further details

Persistent and at times heavy rain is expected to continue to cause impacts from through Thursday and Friday. In general, a further 30-60 mm is expected within the warning area but 80-100 mm is likely over high ground with as much as 150 mm in some locations. This is in addition to high rainfall totals over the previous 24 hours.



Very low likelihood of medium impacts
